Illmatic (1994)

Artist: [Nas](#)

Summary

From Wikipedia:

"Illmatic is the debut studio album by American rapper Nas, released on April 19, 1994, by Columbia Records. After signing with the label with the help of MC Serch, Nas recorded the album in 1992–1993 at Chung King Studios, D&D Recording, Battery Studios, and Unique Recording Studios in New York City. Its production was handled by Nas, Large Professor, Pete Rock, Q-Tip, L.E.S., and DJ Premier. Styled as a hardcore hip hop album, Illmatic features multi-syllabic internal rhymes and inner-city narratives based on Nas's experiences in Queensbridge, New York.

The album debuted at #12 on the US Billboard 200 chart, selling 59,000 copies in its first week. However, its initial sales fell below expectations and its five singles failed to achieve significant chart success. Despite the album's low initial sales, Illmatic received rave reviews from most music critics, who praised its lyrical content, production, and Nas's lyricism. On January 17, 1996, the album was certified gold by the Recording Industry Association of America, and in 2001 it earned platinum certification after shipping one million copies in the United States.

Since its initial reception, Illmatic has been recognized by writers and music critics as a landmark album in East Coast hip hop. Its influence on subsequent hip hop artists has been attributed to the album's production and Nas's lyricism. It also contributed to the revival of the New York City rap scene, introducing a number of stylistic trends to the region. The album remains one of the most widely celebrated albums in hip hop history, appearing on numerous best album lists by critics and publications."

Ah, User A now remembers why he/she knew the name, Illmatic was apparently a very influential album. User A is now interested in learning about the artist who made Illmatic, so he/she clicks on the artist name.

Nas

About The Artist

From Wikipedia:

"Nasir bin Olu Dara Jones[1] (/nɑːˈsiːr/; born September 14, 1973), better known as Nas /nɑːz/, is an American rapper, songwriter, record producer and actor. He is the son of jazz musician Olu Dara. Since 1994, Nas has released eight consecutive platinum and multi-platinum albums and sold over 25 million records worldwide. Aside from rapping and acting, Nas is an entrepreneur through his own record label, retail sneaker store, and magazine publishing. He serves as Associate Publisher of Mass Appeal magazine, as well as an owner of a Fila sneaker store. He is currently signed to Def Jam Recordings and Mass Appeal Records.

His musical career began in 1991 when he was featured on Main Source's track "Live at the Barbeque". His debut album Illmatic, released in 1994, received universal acclaim from both critics and the hip hop community. It is frequently ranked as one of the greatest hip hop albums of all time. He did Illmatic's "N.Y. State of Mind" in one take.

His follow-up album It Was Written debuted at No. 1 on the Billboard Charts, stayed on top for four consecutive weeks, went platinum twice in only two months, and made Nas internationally known.

Nas is often named as one of the top hip hop artists. MTV ranked him at number 5 on their list of The Greatest MCs of All Time. In 2012, The Source ranked him No. 2 on their list of the Top 50 Lyricists of All Time. In 2013, Nas was ranked fourth on MTV's "Hottest MCs in the Game" list. In 2014, About.com ranked him No. 1 on their list of the 50 Greatest MCs of All Time. He has six number 1 albums on the Billboard 200, tying him with Eminem and Kanye West for 2nd all time among rappers."

# The Marshall Mathers LP (2000)

Artist: [Eminem](#)

## SUMMARY

From Wikipedia:

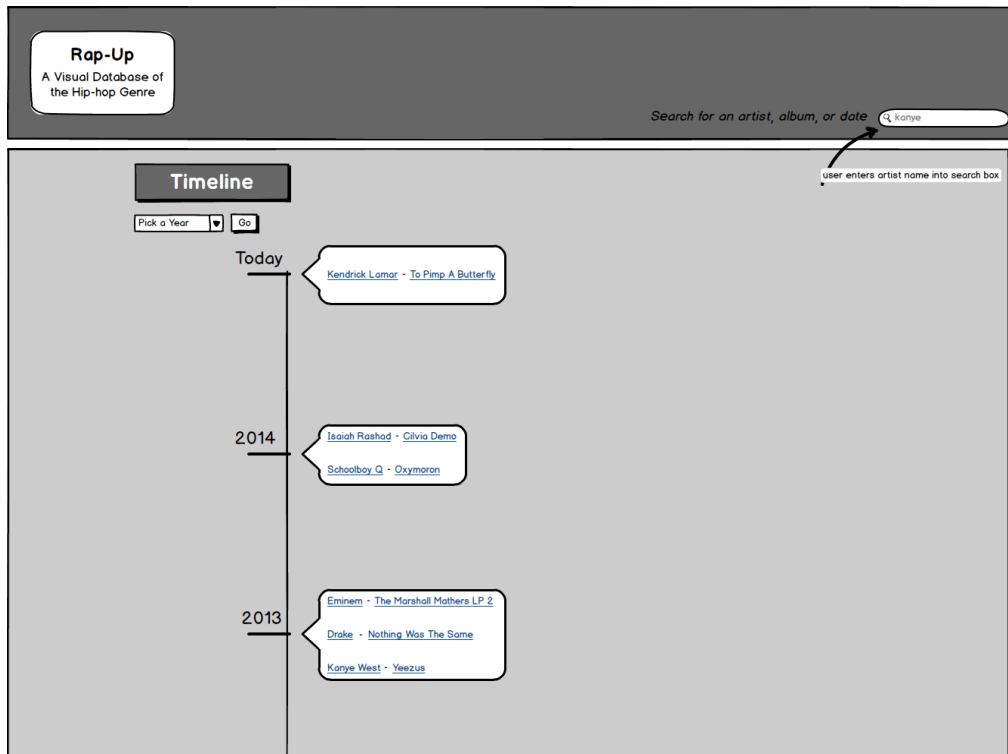

"The Marshall Mathers LP is the third studio album by American rapper Eminem. It was released on May 23, 2000, by Interscope Records, Aftermath Entertainment and his newly founded label, Shady Records in the United States,<sup>[2]</sup> and on September 11, 2000, by Polydor Records in the United Kingdom.<sup>[3]</sup> The album was produced mostly by Dr Dre and Eminem, along with The 45 King, Bass Brothers, and Mel-Man. Released a year after Eminem's breakout album The Slim Shady LP, the record features more introspective lyricism including the rapper's response to his sudden rise to fame and controversy surrounding his lyrics.

The album sold more than 176 million copies in the US in the first week alone, becoming the fastest-selling studio album by any solo artist in American music history.<sup>[4]</sup> In 2001, the album won the Grammy Award for Best Rap Album and was nominated for Album of the Year. The album was certified diamond by the Recording Industry Association of America in 2011 for shipping 10 million copies in the United States.<sup>[5][6]</sup> By 2012, the album had sold 11,000,000 copies in the United States and more than 32 million copies worldwide.<sup>[7]</sup>

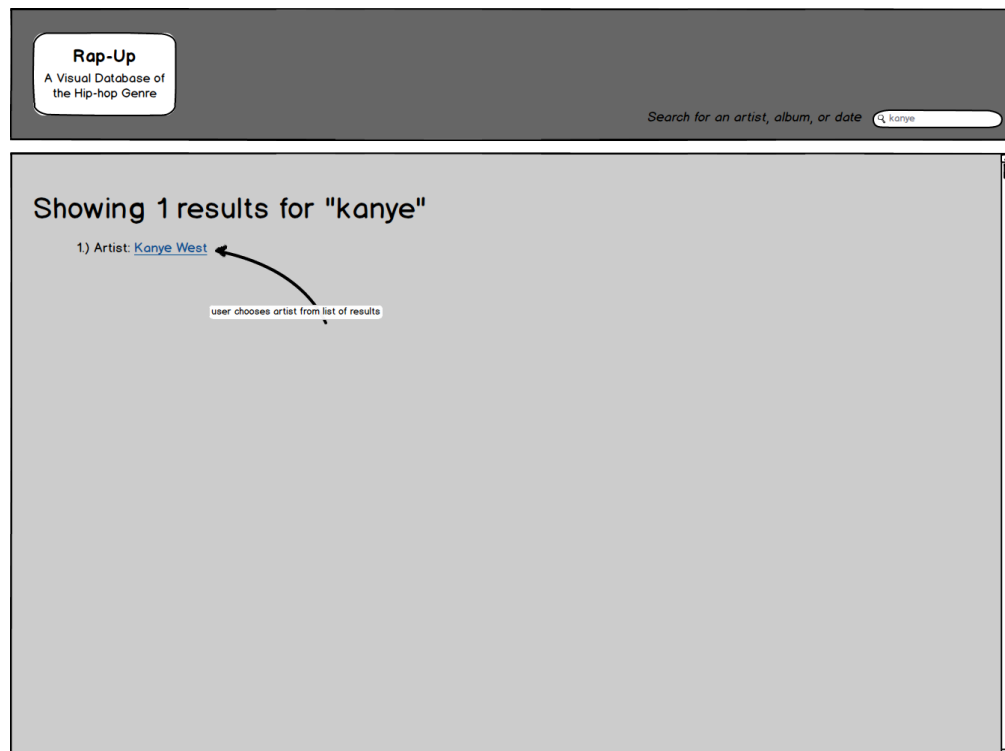

A sequel to the album titled The Marshall Mathers LP 2 was announced during the 2013 MTV Video Music Awards and was released on November 5, 2013.<sup>[8]</sup>

After reading the description for the Marshall Mathers LP, User B decides that the album may be worth a listen, and decides to buy the album to add to their music library.

User Story #3: User C has been listening to his/her favorite contemporary rap artist Kanye West, and how Kanye's lyrical complexity compares to a classic rapper like Nas. User C needs to compare the abilities of the two rappers somehow, and expects to view some sort of metric for quantifying each artist's talent with wordplay.

User C uses the search tool at the top of the page to make a quick search.

About The Artist

From Wikipedia:

Kanye Omari West (/ˈkɑːnjeɪ/, born June 8, 1977) is an American rapper, singer, songwriter, record producer, director, painter, entrepreneur, and fashion designer. West first gained prominence as a producer for Roc-A-Fella Records, he achieved recognition for his work on rapper Jay-Z's The Blueprint (2001), as well as hit singles for musical artists including Alicia Keys, Ludacris, and Janet Jackson. His style of production originally used high-pitched vocal samples from soul songs incorporated with his own drums and instruments. He later broadened his influences to include 1970s R&B, baroque pop, trip hop, arena rock, house, folk, alternative, electronica, synthpop, industrial, and classical music.

West was raised in a middle-class household in Chicago, Illinois, and began rapping in the third grade, becoming involved in the city's hip hop scene. West attended art school for one semester before dropping out to pursue music entirely in the late 1990s. Although his real desire was to become a rapper, record executives did not take West seriously, viewing him as a producer first and foremost. After being signed to Roc-A-Fella in 2002, West released his debut album The College Dropout in 2004 to commercial and critical acclaim. The baroque-inspired Late Registration followed in 2005, and Graduation in 2007. West switched rapping for singing on his emotive 2008 effort 808's & Heartbreak, and embraced maximalism on 2010's My Beautiful Dark Twisted Fantasy. Following several collaborations, West released his abrasive sixth album, Yeezus, in 2013.

West is one of the best-selling artists of all time, having sold more than 21 million albums and 66 million digital downloads. He has won a total of 21 Grammy Awards, making him one of the most awarded artists of all-time and the most Grammy-awarded artist of his age. Time named West one of the 100 most influential people in the world in 2005 and 2011. He has also been included in a number of Forbes annual lists. Three of his albums rank on Rolling Stone's 2012 "500 Greatest Albums of All Time" list, two of his albums feature at #8 and #1 in Pitchfork Media's The 100 Best Albums of 2010-2014.

West's background and style, from his debut album, deviated from the then-dominant "gangsta" persona in hip hop, and he would later alter the genre stylistically as rappers adopted his alternative aesthetic. An outspoken and controversial celebrity, West has often been a source of controversy due to his appearances at award shows and his various television and radio interviews. West has collaborated on multiple occasions with brands Nike, Louis Vuitton, Adidas and A.P.C. West also runs his own record label GOOD Music and has directed several short films.

About The Artist

From Wikipedia:

"Nasir bin Olu Dara Jones[1] (/nɑːˈsiːr/, born September 14, 1973), better known as Nas /nɑːz/, is an American rapper, songwriter, record producer and actor. He is the son of jazz musician Olu Dara. Since 1994, Nas has released eight consecutive platinum and multi-platinum albums and sold over 25 million records worldwide. Aside from rapping and acting, Nas is an entrepreneur through his own record label, retail sneaker store, and magazine publishing. He serves as Associate Publisher of Mass Appeal magazine, as well as an owner of a Filia sneaker store. He is currently signed to Def Jam Recordings and Mass Appeal Records.

His musical career began in 1991 when he was featured on Main Source's track "Live at the Barbeque". His debut album *Illmatic*, released in 1994, received universal acclaim from both critics and the hip hop community. It is frequently ranked as one of the greatest hip hop albums of all time. He did *Illmatic*'s "N.Y. State of Mind" in one take.

His follow-up album *It Was Written* debuted at No. 1 on the Billboard Charts, stayed on top for four consecutive weeks, went platinum twice in only two months, and made Nas internationally known.

From 2001 to 2005, Nas was involved in a highly publicized feud with rapper Jay-Z. In 2006, Nas signed to Def Jam. In 2010, he released a collaboration album with reggae artist Damian Marley, donating all royalties to charities active in Africa. His eleventh studio album, *Life Is Good* was released in 2012.

Nas is often named as one of the top hip hop artists. MTV ranked him at number 5 on their list of The Greatest MCs of All Time. In 2012, The Source ranked him No. 2 on their list of the Top 50 Lyricists of All Time. In 2013, Nas was ranked fourth on MTV's "Hottest MCs in the Game" list. In 2014, About.com ranked him No. 1 on their list of the 50 Greatest MCs of All Time. He has six number 1 albums on the Billboard 200, tying him with Eminem and Kanye West for 2nd all time among rappers."
